**Subject:** fracking follow-up  
[rwile@businessinsider.com](mailto:rwile@businessinsider.com)

Hi Alisha,

Thanks again for speaking with me earlier today. Just wanted to follow up on the items we discussed:

Are public comments on Pavillion yet accessible?

Can you send a link to the last report featuring info from the independent review board?

When will the findings of the national fracking study be released?

Best,

Rob
